▶ Sage MAS 500

The most powerful member of the accounting family, Sage MAS 500 ERP features integrated solutions that automate all areas of business management including CRM, accounting and financials, project accounting, distribution, manufacturing, and human resources.

▶ Sage MAS 90 and Sage MAS 200

Recommended by more CPAs than any other business management application in their class, Sage MAS 90 ERP and Sage MAS 200 ERP offer a broad selection of feature-rich solutions, including accounting, financial reporting, distribution, manufacturing and e-business management. The software is widely recognized for its ease of use and its ability to empower customers with insightful information.

▶ Sage FAS

Sage FAS Fixed Assets is the most comprehensive fixed asset management solution for asset depreciation, inventory tracking, and custom reporting — giving you total control over your fixed assets throughout their entire lifecycle.

▶ Sage Abra

Our most comprehensive HR and payroll software, Sage Abra HRMS provides the functionality you need to tackle even the most challenging HR issues. This market-leading human resource management system (HRMS) offers payroll processing and recruiting, as well as training and benefits administration – all at an affordable price.

▶ Sage CRM

Sage CRM is a wireless and Internet-based suite of applications that provides enterprise-wide access to vital customer, partner and prospect information anytime, anywhere. Designed to support all aspects of customer relationship management, Sage CRM is rapidly deployable in-house or as a hosted application. Even more, Sage CRM seamlessly integrates with your Sage Software back-office accounting applications.

▶ EDI Advantage Family of Products

www.EDIAdvantage.com

EDI Advantage products bring the power of integrated electronic data interchange (EDI) to Sage MAS 90, 200 and 500 users. From sophisticated workflow integrated solutions to low-cost, all-in-one solutions featuring high-value document integration, there's an EDI Advantage solution for every need and budget.

▶ ACH Direct

www.KissingerEnhancements.com

With more included features than any other direct deposit solution, ACH Direct is the most popular Direct Deposit interface for Sage MAS 90 and 200 Payroll. ACH Direct is the clear choice for providing employees with the benefits of direct deposit.

▶ AIA Job Cost Billing

www.KissingerEnhancements.com

AIA Job Cost Billing provides Sage MAS 90 and 200 users in the construction industry with a complete solution for billing customers under the American Institute of Architects (AIA) billing format for G702 and G703 forms.

▶ Certified Payroll

www.KissingerEnhancements.com

Certified Payroll enhances the Sage MAS 90 and 200 Payroll module, providing reports required for the US Department of Labor Payroll Form WH-347, plus other reports for unions and fringe benefit administration. Integration with Sage MAS 90 and 200 Payroll is seamless.

▶ Union Automation

www.KissingerEnhancements.com

The Union Automation enhancement for Sage MAS 90 and 200 Payroll automates payroll calculation and reporting requirements for union-affiliated companies. Union Automation gives you the reports you need and brings efficiency to performing union labor calculations.

“Kissinger has a very knowledgeable staff with lots of expertise. We are very satisfied with the service we receive from Kissinger.”
—D. Hudzinski

In addition to the solutions listed here, Kissinger customers can also benefit from additional third party modules, pre-packaged enhancements and specialized vertical applications available through a world-wide network of solution providers.
