

AFFORDABLE. AUTOMATIC. ALL IN SAGE MAS 90 AND 200.

# EDI ADVANTAGE 2010

## SUITE OF MODULES FOR SAGE MAS 90 AND 200

### AFFORDABLE

EDI Advantage 2010 gives you everything you need to meet trading partner requirements with an affordable EDI solution.

- ✓ New mapping and communications technology makes it possible to offer EDI Advantage 2010 at pricing that is surprisingly affordable, making it the best value for Sage MAS 90 and 200 EDI.
- ✓ Document Express module replaces the need to purchase an external translator, saving you thousands of dollars.
- ✓ Optional service renewals are very competitively priced.
- ✓ EDI Advantage 2010 offers this new, significantly lower pricing for the same great EDI Advantage quality our customers have always enjoyed. EDI Advantage 2010 gives you a suite of highly integrated modules priced to compete with less sophisticated import/export solutions.
- ✓ EDI Advantage 2010 trading partners for your suite of modules can be integrated for just \$595.

### AUTOMATIC

Integrated EDI without the extra steps found in other solutions!

- ✓ Integrates inbound EDI documents and creates outbound EDI documents as a result of standard Sage MAS 90 or 200 processing steps.
- ✓ EDI happens automatically as a 'by-product' of your standard Sage MAS 90 or 200 processing.

## ALL IN SAGE MAS 90 AND 200

Introducing Document Express - Never leave Sage MAS 90 or 200 to do EDI

- Thanks to Document Express, the new translation and communications module for Sage MAS 90 and 200, you never have to leave your ERP system to do EDI.
- EDI Advantage 2010 gives you unparalleled convenience: do EDI entirely within Sage MAS 90 or 200, at any MAS 90 or 200 workstation, without extra steps.
- EDI Advantage 2010 looks, feels and works like Sage MAS 90 and 200.
- EDI Advantage 2010 eliminates the need to maintain a separate PC for EDI.
- EDI Advantage 2010 gives you the best of both worlds: superior 'all in Sage MAS' integration with zero source code modification.
- EDI Advantage 2010 eliminates the need to import and export EDI information to and from Sage MAS 90 or 200, and to maintain scripts and external databases.
- EDI Advantage 2010 eliminates the need to install, learn, operate and maintain EDI software outside of Sage MAS 90 or 200.
