

COMPLETE BUSINESS MANAGEMENT SOLUTIONS

SOLUTIONS THAT FIT, LARGE OR SMALL

Kissinger offers solutions for many sizes and types of organizations with large or small needs in a host of integrated business application areas.

PROFESSIONAL IMPLEMENTATION STAFF

With credentials like Certified Public Accountant (CPA), Master in Business Administration (MBA), Certified Quality Auditor (CQA), Certified Support Specialist, and Conversion Specialist, as well as real-world experience in a variety of industries and organizations, Kissinger consultants have what it takes to guide your implementation to success.

CONVENIENT TRAINING OPTIONS

From highly-customized education at your location to certified courses in our training center, Kissinger gives you the flexibility to take advantage of the right training at the right time.

FAST, RESPONSIVE SUPPORT SERVICES

Driven by industry-leading support tracking technology and a fully-staffed support team ready to serve you, Kissinger support services provide the peace of mind of receiving high-quality, fast, and accurate resolutions for your mission-critical business system issues.

DEEP TECHNICAL RESOURCES

Kissinger is the region's leading business systems authority. The company maintains an on-going commitment to training and certification and has a long history as a provider of world-class business management solutions. With Kissinger, your technology concerns are in capable hands.

BREADTH & DEPTH OF EXPERTISE

Each Kissinger consultant is a specialist offering in-depth skills in a valuable array of business application areas, from shop floor control and inventory management to complex financial reporting and eBusiness integration.

• SOLUTIONS • PRODUCTS • SERVICES • SUPPORT • TRAINING • AND MORE

"The best support team I have ever worked with. Even the system that logs all the items is great. Very professional!" - P. Campagna

"Kissinger's tech support team responds immediately when we call. They provide a solution as if it was an emergency! That service is the key to our success." - T. Bernard

"Many thanks to you and your staff for the time and effort in helping me. Your consultants are super! It's a comforting feeling to know that you guys are there when needed. I wish every software company I deal with had a support division as responsive as Kissinger!" - D. Dorsey
